

K - 6 WEEKLY BULLETIN

Baker Elementary Schools

For the week of December 4th— December 10, 2016

Elementary Christmas Programs will be on *Wednesday December 14* with both programs being in the **Longfellow Gym**. Lincoln School students at 10:00 AM and Longfellow students at 6:30 PM. We hope to see you there!

Lincoln School will be having DIBELS testing December 5th-7th. **What is DIBELS Testing?** It is the Dynamic Indicators of Basic Early Literacy Skills. Testing measures are indicators of the reading and pre-reading skill areas. DIBELS measures is a quick and efficient indicator of how well a child is doing in learning a particular early reading skill. Our students are DIBELS tested 3 times during the school year to check their individual progress on these critical reading skills.

Parents: Cold weather is here! When we have extremely cold weather **(-10) or colder** students will stay inside for recess and take buses to lunch. Thank you for your understanding.
