Christmas Fun Facts!

In the very first times when the tradition of decorating trees for Christmas began, the popular items that were used to decorate the trees were food items such as nuts, dates, apples and other fruits.

Have you listened to the song 'The 12 Days of Christmas?' If you received all the presents that are mentioned there in the song, you would have a total of 364 presents!

Sometime during the 18th century, candles were used to decorate trees for Christmas.

There are two islands that are called Christmas. The first one is in the Pacific Ocean and was earlier known as Kiritimati while it is now known as Christmas Island. The second one is in the Indian Ocean and is also known as Christmas Island.
