

K - 6 WEEKLY BULLETIN

Baker Elementary Schools

For the week of January 8th— January 14, 2017

Lincoln School Parents: *Even though the weather is getting colder you still need to continue to drop your child off at the **West end playground** as we have been doing since the start of school. **ALSO *Please take some time** and label your child's winter coats, hats, gloves and boots, as many of the students have either the same or very similar types of winter clothing, and by labeling your child's things it will help these items to remain with your child this winter weather season. Thanks.

Find all Baker School information at our school district web site:
