

BAKER SCHOOL DISTRICT #12
NOTICE OF INTENT TO INCREASE NONVOTED LEVIES
March 14, 2018

The Baker School District is committed to financial transparency. Senate Bill 307 (SB307) requires school districts to provide notice of its intent to increase non-voted levies in the ensuing fiscal year. As a result, the proposed notice contains projections for all of the District's nonvoted levy-supported funds:

FUND	Current Year Levies		Final SB307 Notice

These estimates are the District's best estimates at the current time. They are based on the current year's taxable value as required by SB307. If the District's taxable value increases as expected, the mill and taxpayer cost increases will be less than presented here. These estimates are preliminary and changes are expected before the final budgets are set in August.
